THE VICTORY

has been prepared especially for use in the Sunday School, yet is available for all other services of the Church.

THE VICTORY contains more than One Hundred of the most popular sacred songs of the times, to which have been added more than Sixty new ones, selected from a great many Manuscripts submitted by various authors.

THE VICTORY is not a one man book, but almost every well known author in the land is represented by one or more of his best songs, new or old.

THE VICTORY has, in view of the prevalent use of the regular Church Hymnal in the Sunday School, eliminated the familiar Standard and favorite old hymns and tunes, commonly found in all books of it's kind, and given the space to songs of a more modern character, such as Marching, Harvest, Work, Missionary, Hope, Victory, Primary, and others of a more generally practical nature.

THE VICTORY was not made up on the basis of "What can we get?", but "What shall we select?" No labor or expense was spared by author or publishers to make it the best of it's kind, in contents and workmanship.
